

Project Demo Planning

Date	02 July 2026
Team ID	XXXXXX
Project Name	A Comprehensive Measure of Well-Being
Maximum Marks	1 Mark

Project Demo Planning:

A well-structured demo plan ensures that the team presents the project effectively, covering all key aspects in a clear and organized manner.

S.No	Demo Section	Description	Duration (mins)	Responsible Member
1	Project Introduction	Introduce the project objective, problem statement, and HDI concept.	2	Charan Karthik Muppana
2	Dataset & Model Overview	Explain the HDI dataset, pre-processing steps, and Linear Regression model.	3	Charan Karthik Muppana
3	Web Application Demonstration	Demonstrate the Home, Predictor, and Methodology pages.	4	Charan Karthik Muppana
4	Live HDI Prediction	Enter sample values and display the predicted HDI score and development category.	4	Charan Karthik Muppana
5	Results & Features	Explain input validation, HDI classification, API, and data visualizations.	2	Charan Karthik Muppana
6	Conclusion & Future Scope	Summarize the project, discuss future enhancements, and answer questions.	2	Charan Karthik Muppana

Demo Flow Summary:

Step	Activity	Notes
1	Introduction & Problem Statement	Explain the need for predicting the Human Development Index using machine learning.
2	Solution Overview	Describe the project architecture, dataset, Linear Regression model, and Flask application.
3	Live Feature Demonstration	Demonstrate the prediction process by entering sample values and displaying the HDI score and category.
4	Results, Conclusion & Q&A	Present project outcomes, future enhancements, and answer questions from the audience.
